PROFESSIONAL SUMMARY

Senior Visual Strategist & Art Director with over 11 years of expertise in transforming brand identities and driving measurable business growth. Proven track record in the Middle Eastern market, recently achieving a 300% increase in organic reach for premium beauty and medical brands through data-backed visual strategies. Expert in blending Creative Direction with Marketing Analytics to deliver high-converting social media campaigns and cohesive brand experiences. Skilled in professional AI-powered video production and a strong adopter of AI tools to elevate creative workflows. Specialized in leveraging design as a strategic tool to increase market share and ROI for international clients.

CORE SKILLS

Digital Marketing • Brand Strategy • Paid Media Campaigns • Social Media Marketing • SEO Basics • Content Creation • Creative Direction • Visual Design • Marketing Analytics • Client Relationship Management • Campaign Optimization • Team Leadership & Art Direction • AI-Powered Video Production • Video Editing (CapCut, Adobe Premiere Pro, DaVinci Resolve, After Effects) • Meta Ads • Marketing Planning • Communication Skills

PROFESSIONAL EXPERIENCE

Senior Graphic Designer → Art Director – Rawafed Egypt | Jan 2026 – Present

- Joined as Senior Graphic Designer and, within just four months, was promoted to Art Director based on merit and performance.
- Currently lead and hold full responsibility for the entire creative team, overseeing visual output and creative direction.
- Recognized for professional and effective use of AI tools to develop and improve workflows and creative output across the company.
- Set and maintain creative standards and brand consistency across all company projects and campaigns.

Senior Visual Strategist & Creative Lead – Freelance | 2018 – Present

- Visual Strategy & Branding: Lead the creative direction for premium brands, developing full visual identities and "Brand Books" that align with business goals.
- Performance Marketing Design: Create high-conversion advertising assets for Meta & Google Ads, optimizing visuals based on A/B testing and performance data.
- Growth-Driven Content: Manage social media ecosystems for high-end clients, focusing on visual storytelling that converts followers into loyal customers.
- AI Video Production: Produce professional AI-generated video content, and skilled in industry-standard editing software including CapCut, Adobe Premiere Pro, DaVinci Resolve, and After Effects.
- Case Study (Beauty Secrets Center): Developed a 6-month visual growth roadmap, transforming the brand from a local service provider to a premium luxury destination through consistent, high-end design.
- Cross-Sector Expertise: Effectively collaborated with international stakeholders in Real Estate, Medical, and E-commerce to deliver tailored marketing solutions.

Graphic Designer – Creative Advertising Agency | 2016 – 2026

- Designed websites, brochures, magazines, and social media creatives.
- Produced marketing campaigns aligned with brand guidelines.
- Managed and optimized Meta advertising campaigns.

- Increased engagement through structured content strategies.
- Ensured brand consistency across multiple marketing channels.
- Participated in marketing strategy planning and creative direction.

Marketing Representative – Royal (Tanta) | 2014 – 2016

- Prepared marketing materials and client presentations.
- Assisted in campaign execution and promotional events.
- Coordinated with sales teams to improve brand visibility.

ACHIEVEMENTS

- Organic Growth Master: Orchestrated a visual rebranding strategy for "Beauty Secrets Center," resulting in a 300% increase in organic reach and a 50% boost in audience engagement within 6 months.
- Global Portfolio: Successfully delivered 50+ comprehensive branding projects for international clients across Egypt, UAE, and Saudi Arabia.
- Revenue Driver: Implemented data-driven design psychology in Meta Ads campaigns, contributing to a 20% average revenue growth for multiple clients in the medical and real estate sectors.
- Content Production: Directed and produced over 100+ high-impact promotional videos, managing the full cycle from scripting to advanced post-production (VFX & Sound Design).
- Engagement Expert: Consistently improved client social media performance, maintaining an average engagement increase of 35% across all managed platforms.
- AI Integration: Distinguished and professional in applying AI tools to develop and improve workflows and output quality at every company worked with.
- Rapid Advancement: Promoted from Senior Graphic Designer to Art Director at Rawafed Egypt within four months of joining.
